

Communication_Set_Configuration

```
graph LR; A[Communication_Execute_Function] --> B[Communication_Set_Configuration];
```

The diagram consists of two rectangular boxes. The box on the left is shaded gray and contains the text 'Communication_Set_Configuration'. The box on the right is white and contains the text 'Communication_Execute_Function' on two lines. A dark blue arrow points from the right side of the white box to the left side of the gray box.
